

No fingersticks means
NO FINGERSTICKS†

With real-time glucose alarms¹,
patients will be alerted when
they are going low, even at night

Call 800-698-8113 ext. 556 or email
cgm@hcshme.com to see if you qualify
for the FreeStyle Libre 2 system through
your insurance!

FreeStyle
Libre 2

life. to the fullest.®

Abbott

†Fingersticks are required if your glucose alarms and readings do not match symptoms or when you see Check Blood Glucose symbol during the first 12 hours. 1. Notifications will only be received when alarms are turned on and the sensor is within 20 feet of reading device.

The circular shape of the sensor housing, FreeStyle, Libre, and related brand marks are marks of Abbott. Other trademarks are the property of their respective owners.
